Dear Mr. Itoi:

In response to your request, I am setting forth in this letter a formal proposal for representing the Japan Aluminum Federation.

Mudge Rose Guthrie Alexander & Ferdon (hereinafter "the Firm") agrees to represent the interests of the Japan Aluminum Federation in dealings with the United States Government and, as appropriate, in negotiations with U.S. aluminum companies with a view to forestalling the filing of a Section 301 petition against the Japanese aluminum industry, contesting such a petition if it is filed and attempting to facilitate a Government to Government resolution of the issues which would be the subject of such a proceeding.

The Firm is prepared to provide these services at the customary hourly rates charged by attorneys assigned to the matter plus out-of-pocket disbursements for travel, telephone, reproduction etc. We don't expect our fees for professional services to exceed \$200,000 in this matter and, if at any time it appears that this ceiling might be exceeded, we would communicate with you promptly to discuss what steps should be taken.

As Lead Partner for the Firm on this matter I will devote my personal attention to it and assign only that degree of support from other attorneys and staff of the Firm as are necessary to an effective and efficient performance of our professional responsibilities. I can confirm that my hourly rate for these services will be \$275. I presently intend to assign another partner, Mr. Joel Davidow, to review certain aspects of this matter, and Mr. Andrew Samet, an associate in our Washington office, to assist as necessary. Mr. Davidow's hourly rate is \$245, and Mr. Samet's is \$85. If other attorneys or staff personnel are assigned tasks, I will disclose in the monthly statements both the time spent by these individuals and their hourly rates.

We are prepared to coordinate closely with the Japan Aluminum Federation as well as with officials of the Government of Japan and would be guided by your instructions in all of our activities.

We propose that the Japan Aluminum Federation deposit with us a retainer fee in the sum of \$25,000 which will be credited against our last bill. Statements will be rendered on a monthly basis covering time and disbursements.

If this proposal is acceptable kindly initial the enclosed copy and return it for our records.

With best wishes,

Sincerely,

William N. Walker
